

## FREE Online Education

Reprinted from the Canadian Society of Homeopaths **June 2023 Newsletter**

The internet provides an amazingly broad range of opportunities for homeopaths, students, and home-users to improve their understanding and knowledge of homeopathy – all at no cost. We have collected a large number of them this month, which may inspire some of your summer reading. Take advantage of the following **FREE sources of interest**:

### 1M: A Homeopath's Podcast

This list ([available HERE](#)) provides several years' worth of interesting interviews and thematic presentations from American homeopath, Kelly Callahan.

This is a FREE recording of **Dinesh Chauhan** presenting *Integrated Homeopathic Approach in Wisdom Age* and **Karen Allen** (at 1:51) on *Introducing ACHENA*. [Available HERE](#).

**Divya Chhabra**: If you want to learn about Divya Chhabra's "Leap to the Similimum" method of casetaking, click on these two free videos: [Game Changer Video 1](#) and [Game Changer Video 2](#). Available only until early Autumn of 2023.

**Kim Elia** presents a FREE bonus session, *Can Knowledge of Small Remedies Really Make a Difference in Practice?* based on his experience using lesser known remedies that are essential for a successful homeopathic practice. [Access HERE](#).

**Enlightenment Education** offers a long list of free online homeopathy courses that are uniquely designed for study from the comfort of your home and clinic. [Details HERE](#).

**Patricia Hatherly**, classical homeopath and lactation consultant, has posted links to many provings and her own published articles and conference papers [available HERE](#).

**Homeopathy Books Online** provides free access to around 200 titles of homeopathic books and journals, both old classics and newer works. [Access HERE](#).

*Homeopathy for Everyone* is a popular, free online journal read and enjoyed by beginning students to professional homeopaths. [Click HERE](#) for the current and back issues.

**Homeopathy Journal Archives** contain journals of the bygone era -- a treasure trove, full of amazing articles from some of the best homeopaths ever! [Available HERE](#).

**Homeopathy Plus** is an Australia-based site that includes helpful information for studying many of our most-commonly-used homeopathic remedies. [Click HERE](#) to access the free “Know Your Remedy” list.

### **Homeopathy Research Evidence Base: References**

This pdf, compiled by **Iris Bell** and **Peter Gold**, provides a comprehensive list of research studies and reports that, as of 2015, had any association with homeopathy. [Access HERE](#).

### **Homoeopathic Online Education (H.O.E.)**

From **David Little**, this list of early Little Talks podcasts is [available HERE](#), containing interesting and important homeopathic topics from his *The Homoeopathic Compendium*. Or [access HERE](#) a wide selection of articles from the Little Library, providing essential reading material on important and little known subjects necessary to homeopathic practice.

### **HOPE (Homeopathy Online Portal for Education)**

This online platform provides affordable and good quality homeopathic education that is accessible to homeopaths worldwide. It also contains a list of free videos by many renowned homeopaths, starting halfway down the page. [Access HERE](#).

### ***Interhomeopathy***

This list contains leads to hundreds of quality articles published in this highly respected online journal. [Available HERE](#). Note that “April 2022” should read “April 2016”.

### **Ghanshyam Kalathia**

***How to Prescribe Bird Remedies with Confidence and Accuracy*** is a FREE downloadable pdf with materia medica of the Bird Group that lets you identify and prescribe bird remedies with confidence and accuracy, even if you have never prescribed them before. [Access HERE](#).

### **John Millar**

#### ***An Introduction to the Heart of the Matter & a Case of Pericarditis***

This Canadian naturopath discusses the homeopathic approach to working with these increasingly common cardiological complaints. [Click HERE](#).

**Open Online Repertory (OOREP)** is an open source online repertory for homeopathy, especially developed for people who study homeopathy, either professionally or as a hobby. [Access HERE](#).

## **Organon and Philosophy Books**

This [collection of homeopathy books](#) includes Hahnemann's *Organon of Medicine*, *Chronic Diseases*, and *Lesser Writings*, plus classics on Homeopathic Philosophy and the History of Medicine from Stuart Close, Caroll Dunham, Richard Hughes, H.A. Roberts, M.L. Tyler, and many more.

## **The Other Song**

This huge list of homeopathic topics by many leading homeopaths is [available HERE](#), ranging in length from a few minutes to over 2 hours.

## **School of Homeopathy**

This page includes a long list of provings by students at the school as well as links to many separate lists (e.g., Peter Fraser, Lou Klein, Jeremy Sherr). [Access HERE](#).

**Camilla Sherr** presents information on agro-homeopathy in this free recording, *Agri Homoeopathy*, providing guidance for growing healthy plants and nutritious produce without chemical fertilizers, pesticides, or fungicides. [Details HERE](#).

**Jeremy Sherr** reveals his *Case Analysis and Repertorization Secrets* in these FREE audio and transcripts of interviews.

Session 1: [Foundation of Jeremy's Case Analysis Structure](#)

Session 2: [5 Step Model for Success with Patients and Remedies](#)

Session 3: [Guidelines for Rubric Selection, Repertorization, and Final Remedy Selection](#)

**Trinity Health Hub** offers [FREE membership HERE](#) with introductory access to many resources, as well as other membership options that provide a wide range of educational opportunities. [More about the Hub HERE](#).

Internationally-recognized master homeopath, **George Vithoukas**, offers a range of videos, from short one-minute sessions to lectures lasting over an hour and a half. [Access them HERE](#).

**WholeHealthNow** offers many dozens of free webinars by leading international homeopaths from Karen Allen to Jay Yasgur. [View list of freecasts HERE](#).
